About Duke NSBE

The mission of NSBE is to increase the number of Black engineers who excel academically, succeed professionally, and impact the community.

NSBE serves students by providing opportunities to receive academic support, learn about top firms, and serve in Durham, NC.

Our events serve black Duke students in STEM, and our conferences are open to any registered national NSBE members ($20 fee).

Why Duke NSBE?

Community

Find your people, make new friends, and build a strong support system with other Black engineers.

Conferences

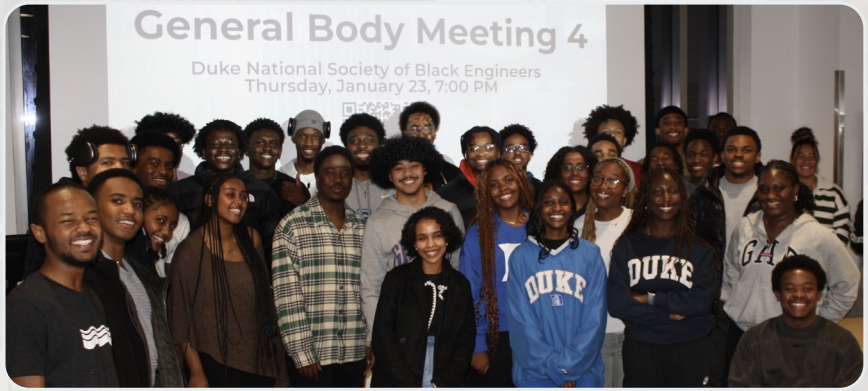

Travel with us to regional and national conferences, which offer unparalleled career fairs, workshops, and networking opportunities.

Giving Back

Participate in community service projects that positively impact the local Durham community.

Professional Development

Gain a competitive edge with resume critiques, interview workshops, networking events with our corporate partners, and exclusive NSBE scholarships.

Package Breakdown

	Chapter Patron	Bronze	Silver	Gold
Company Logo on all apparel and Duke NSBE website	✓	✓	✓	✓
Email list of chapter members AND post advertisement/job posting in Duke NSBE newsletter	✓	✓	✓	✓
Full Access to Duke NSBE's Resume Book		✓	✓	✓
Invitation to Corporate Q&A Panel Event			✓	✓
Exclusive Corporate Event Invitation				✓

Chapter Patron

For sponsors interested in funding specific needs, such as **catering for GBMs, conference travel, and other services,** we offer the Chapter Patron tier. Partners at this level will gain increased visibility through our Duke NSBE website, will be featured on our Duke NSBE apparel and newsletters, and receive an email list of chapter members.

Bronze-Sponsored Resume Book Access

We invite sponsors to access the **Duke NSBE Resume Book,** showcasing a diverse pool of talented students from Duke University.

This resource is organized by major and class, making it easy for sponsors to find **top candidates for internships, co-ops, and full-time positions**.

We offer this as a convenient and comprehensive way to connect with outstanding talent for internships, co-ops, and full-time positions.

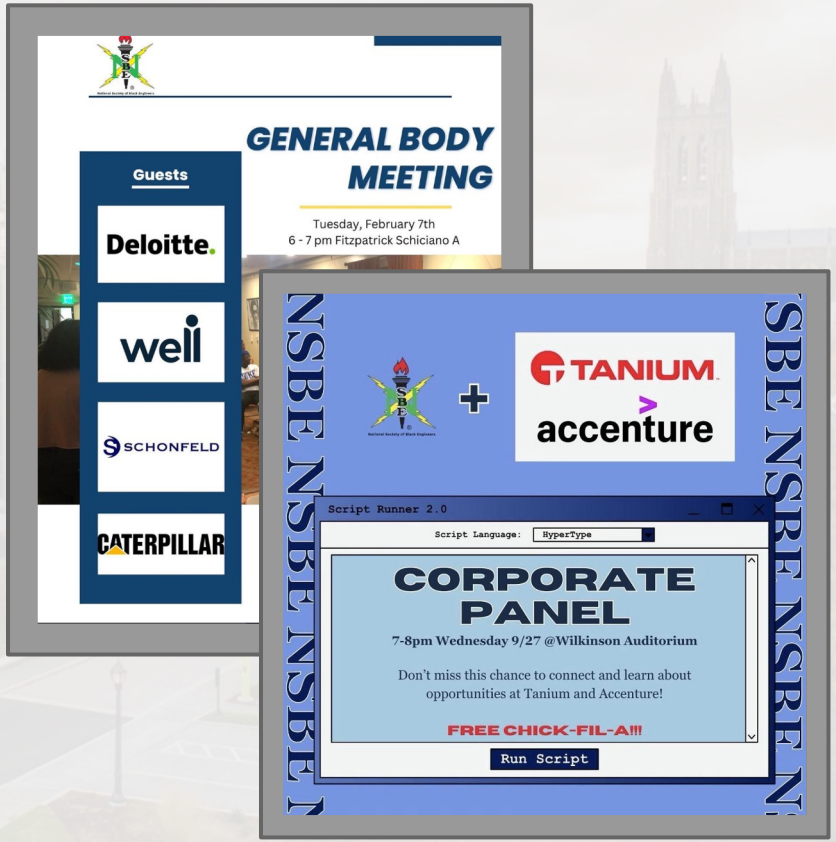

Silver-Sponsored **Q&A Events**

We invite Silver Sponsors to join us for one (or more!) of our catered General Body Meetings (GBMs), where company reps can engage with students through a **1-hour exclusive, moderated Q&A.**

Each Q&A begins with a 5–10 minute overview of your company, followed by an open floor for student questions. A NSBE student member will moderate the session—guiding the conversation, offering prepared questions, and calling on students from the audience.

Sponsors may attend virtually or in person, though we find in-person interactions offer stronger networking opportunities after the GBM.

Gold-Sponsored Corporate Events

We invite our Gold Sponsors to collaborate with us on a special **professional development or networking event of your choosing.** You'll have the opportunity to host an **exclusive 1.5-hour corporate event** tailored to your goals with **full control of the meeting** and **creative freedom.**

In previous years, companies have brought full-time employees to lead interview workshops, resume reviews, and networking socials. Events can be virtual or in-person.

Let our programming chairs know what events you think would be most meaningful for the your company.

Community Engagement

Pre-College Initiative

Our Pre-College Initiative chair plans and executes programming to support and empower local youth. We partner with local schools to host hands-on engineering activities, tutoring, mentorship opportunities, and tech expos.

Habitat for Humanity & Food Drives

Members of our chapter volunteer with Habitat for Humanity Durham 2-3 times a year. We have contributed framing and painting work to three local homes.

We also host community food drives twice a year to support local families.

YOUNG INNOVATORS EXPO

DURHAM PUBLIC SCHOOLS

Habitat for Humanity

Wire Transfer Instructions

Duke University has very specific instructions on how to correctly wire funds.

We will connect you with our corporate liaison who handles the payment process:
